Custom Pools

Freedmont, Calif.

Everyone needs an escape from the various stresses present in everyday life. For this family, this is the perfect place.

They start their retreat in this 15-by-34-foot pool that is finished in an appealing sapphire blue finish with fiber-optic lighting to accent the scene.

After a refreshing swim in the cool blue water, users continue their therapeutic experience with a soak in the spa.

If a swim or soak is not part of the agenda, a relaxing experience can be enjoyed by simply lounging on the ex-

posed aggregate deck, which cantilevers over the pool and spa and ties the entire project together. ▼
