

Sand Creek Pools

Brentwood, Calif.

A light-colored flagstone coping deck adds a glossy look to this pool project. A landscape border of rust-brown mulch and tropical greenery complements the light-colored deck.

The freeform pool has a unique fresca brown and blue perimeter tile. Built-in steps, seats and a conven-

nience ledge encourage socializing.

Cleaning the pool is simple with an in-floor circulation and cleaning system. Strategically placed pop-up nozzles built into the pool's floor emit a powerful stream of pressurized pool water, thus forcing debris toward the drain for removal through the pool bottom. ▼

LOCATION: Antioch, Calif. ▼ **ESTIMATED COST:** \$42,000 ▼ **COMPLETION DATE:** January 2001 ▼ **OTHER RESOURCES:** CONTROLS: *Laars/Jandy Pool Products*
