Viking Pools manufactures quality one-piece ceramic composite fiberglass pools in a variety of shapes and sizes. Its line of inground pools offers a wide assortment of built-in features to help homeowners create beautiful pools that fit their lifestyle and aesthetic. The company's many different options include exclusive colors and finishes, various tiles, water features, vanishing edges, and much more. Viking's large network of dealers serves throughout the U.S. and internationally. Visit the company's website to locate a dealer in your area.

"Our advanced composite pools are composed of top quality ceramic, resin, gel coat, and fiberglass materials. All of our manufacturing practices are in compliance with ICC standards so

every pool is built to stand the test of time. Our pools carry a limited lifetime warranty, invoking peace of mind. The goal of Viking Pools is to create captivating swimming pool designs while offering a lifetime of fun for you and your family."
